# THE MINING CONGRESS JOURNAL

## INDEX TO VOLUME 17

### January to December, 1931

#### A

<b>Accidents—</b>	
Cost of Mine Accidents, R. M. Lambie.....	50
Discipline in Relation to, F. B. Dunbar.....	635
Economic Losses in Pa. Bituminous Industry Resulting from Injury, R. N. Hosier.....	46
Coal Mine Accidents, by States, 1930.....	406
Coal Mine Fatalities in November.....	59
Explosives Accidents in Anthracite Mines.....	261
Fewer Fatal Accidents in Penna.....	453
Metal Mine Accidents Reduced in 1930.....	319
Non-Fatal Coal Mine Accidents to be Studied.....	229
Adams, E. L.—Treating Machine Bits.....	677
Adkerson, J. C.—Summary of Manganese Industry, 1930.....	15
Admiralty Zinc Co.—Mill Destroyed by Fire.....	61
Aerovane Fan, New.....	649
Aersand Coal Cleaning Plant of Allegheny River Mining Co., Chas. M. Means.....	43
A Fertile Field.....	329
Africa, Coal Mining.....	344
Agassiz, Geo. R.—Alexander Agassiz and Early History of Calumet & Hecla.....	473
Agassiz, R. L.—Review of the Copper and Brass Research Association.....	467
Agnew, John L.**.....	403
Air-Sand Plant of Allegheny River Mining Co., R. M. Shepherd.....	79
<b>Alabama—</b>	
Coal in 1930, Jas. L. Davidson.....	25
Coal Preparation Methods Improved.....	45
<b>Alabama Mining Institute—</b>	
Annual Meeting.....	647
Institute and Chief Mine Inspector Honored.....	323
<b>Alaska—</b>	
Alaskan Minerals*.....	287
Mineral Production in 1930.....	109
Mineral Surveys.....	275
Alford, N. G.—Briquettes from Carbon Lignite.....	194
Current Trends in Bituminous Coal.....	391
Allegheny River Mining Company—	
Aersand Coal Cleaning Plant, C. M. Means.....	43
Air-Sand Plant, R. M. Shepherd.....	79
Allen, Arthur**.....	449
Allis-Chalmers Mfg. Co.—	
Fine Reduction Jaw Crusher.....	326
New Sizes in Centrifugal Pumps.....	124
Alt, J. W.—Underground Safety Work.....	507
<b>Aluminum—</b>	
Aluminum Pullman Car to be Built.....	448
European Cartel Doubtful.....	447
Production & Uses Increase, 1930.....	213
Amalgamated Red Metals Mines Co.—	
Red Metals Plant, E. D. Hamacher.....	262
American Bar Association, Stabilization Plan.....	580
American Engineering Council Urges Reorganization of Topographic Mapping System.....	401
American Federation of Labor Stabilization Plan.....	582
<b>Amer. Inst. of Mng. &amp; Metal Engrs.—</b>	
Bain Resigns Secretaryship.....	579
Coal Division Meeting.....	581, 647
Committee Reports on Employment in Russia.....	280
Holds 140th Meeting.....	168
Joplin Meeting.....	442, 641
Parsons Elected Secretary.....	646
Turner Nominated for President.....	687
<b>Amer. Manganese Steel Co.—New Dipper Fronts.....</b>	62
<b>American Mining Congress—</b>	
An Industrial Survey*.....	66
Cincinnati Coal Convention and Exposition.....	68*
82, 128*, 164, 219, 232, 253, 295, 300.....	
Colo. Chapter Meeting.....	61, 117
G. H. Rupp Heads Standards Committee.....	56
Holds Successful Group Conferences.....	26
Industrial Development Conference.....	162, 190
Meeting to Outline Program for Industry.....	679
One National Organization*.....	66
Utah Chapter, Muir Elected Governor.....	449
Western Division Meeting, Joplin, Mo.....	401, 443, 447, 641
<b>American Plan, An*.....</b>	328
<b>American Rolling Mill Company—</b>	
Appoints Research Assistant.....	325
Safety Program at Arisco, Chas. W. Conner.....	8
Washing Practice at Nellis Mines, E. H. Shriver.....	81

<b>American Silver Producers' Assn.—</b>	
Ferry Again Heads.....	645
<b>American Smelting &amp; Refining Co.—</b>	
Smelters Reopen.....	575, 644
<b>American Standards Association—</b>	
Assistant Secretary Named.....	280
Gherardi New President.....	57
<b>American Zinc Institute—</b>	
Adopts Galvanizing Plan, Roosevelt Re-elected.....	276
Adopts "Seal of Quality".....	353
Galvanizing Program Receiving Support.....	318
Manufacturers Secure Licenses to Use Seal of Quality.....	574
Anaconda Copper Mining Company—	
Kelly Made General Western Counsel.....	403
Steel Tunnel Supports at Phosphate Mine, E. M. Norris.....	153

#### Explanatory

An asterisk (\*) indicates an Editorial.  
Two asterisks (\*\*) indicate a Personal.  
Three asterisks (\*\*\*) indicate an Obituary.

A dagger (†) indicates that the article appeared in the Convention Proceedings Number (of the Eighth Annual American Mining Congress Coal Convention).

#### Text page numbers of each issue:

January.....	1-64
February.....	65-124
March.....	125-176
April.....	177-222
May.....	223-284
June.....	285-326
July.....	327-366
August.....	367-412
September.....	413-458
Proceedings Number.....	1-90
October.....	459-588
November.....	589-650
December.....	651-692

Anderson, George J.**.....	646
Testifies Before Senate Committee.....	683
Anderson, H. G. S. (Comment).....	690
Anderson, L. D., Leaves for Russia.....	58
<b>Anthracite—</b>	
Anthracite in 1930, E. H. Parker.....	17
Notes on Mechanical Mining, John C. Hadcock.....	46
Preparation of Anthracite Fines, E. P. Humphrey.....	42
Research for Utilization, C. A. Connell.....	36
Results of Present Roll Practice, Paul Sterling.....	28
Results of Recent Roll Practice, R. E. Hobart.....	676
Speeding Up Rock Work in Mines, R. L. Suender.....	45
Speeding Up Rock Work in Mines, B. H. Stockett.....	678
Explosives Accidents in Mines.....	261
Freight Rates Reduced.....	582
Govt. Agencies Report on Russian Industry.....	120
Industry Regaining Markets.....	408
Laboratory Approves 28 Heating Devices.....	452
Tax Eliminated.....	357
<b>Anthracite Institute—</b>	
General B. P. Disque Heads.....	407
Laboratory Approves 28 Heating Devices.....	452
To Place Seal on Approved Equipment.....	217
Seal of Approval Meets Favor.....	281
<b>Anthracite Service—</b>	
Conducts 8th Sales-Service School.....	452
Opens Sales-Service School.....	361
<b>Anti-Trust Laws—</b>	
An Anti-Trust Conference*.....	414
Eliminates the Twilight Zone*.....	580
Plans for Production Control*.....	583
Stabilization*.....	3
Symposium at Columbia.....	685
Trade Commission Reversed in Coal Case.....	405

Apron Feeder, Link-Belt Heavy-Duty.....	284
Apron Gate Operates on New Principle.....	691
Argentiferous Ores, Importance of Silver in Production, C. W. Merrill.....	73
Argonaut Mine, Mining Methods and Costs, Wm. O. Vanderburg.....	48
Arkansas—Cinnabar Discovered.....	515
<b>Arizona—</b>	
Mining Industry in 1930, Chas. F. Willis.....	8
Governor Seeks Aid of Governors in Copper Duty Fight.....	319
Mineral Production in 1930.....	109
Mine Valuation Lower.....	402
Mine Valuations Before Court.....	644
21 Mine Fatalities in 1930.....	117
Arizona Commercial, Old Dominion Buys.....	57
<b>Asbestos—</b>	
Charges of Soviet Dumping to be Heard.....	214
Output Higher.....	400
Postponements in Investigation.....	279
Ash, S. H.—Automatic Blocks for Inclines and Double Track Slopes.....	637
Assay Offices, Abolition Recommended.....	60
Assessment Methods, Coal, Before Court.....	689
At Depression's Door*.....	126
Atwater, Robt. M., Jr.**.....	646
Australia, Coal Mining.....	343
Premium Prices for Gold.....	354
Amygdaloid Lodes, Mining Methods.....	482, 487, 491

#### B

Badgley, Chas. W.**.....	449
Bailey, O. P.—Safety and Accident Prevention Policies, Calumet & Hecla.....	558
Bain, H. Foster, Leaves A. I. M. E.....	579
Ballantine, A. A.—War Policies in Taxation.....	422
Barnum, Walter**.....	646
Barry, John G.**.....	580
Battelle Institute, Mining Research Project.....	167
Batteries, New Edison.....	411
Bauxite Industry in 1930.....	320
Bayless, I. N.—Maintaining Discipline Trends Toward Better Mine Management.....	458
Bearings, Handbook Published.....	366
Bensley, A. F.—The Bunker Hill Smelter.....	618
Beaver Brook Colliery—Mechanical Mining in Anthracite, E. S. Christ.....	47
<b>Belgium—</b>	
Coal Mine Mechanization, W. H. Rastall.....	334
High Costs, Competition Hurt Coal Industry.....	452
Bell, Landon C.**.....	403
Benchboards, Control, Have Improved Design.....	455
Benedict, C. H.—Milling at Calumet & Hecla.....	519
Bennetts, John G.—Industrial and Community Relations, Calumet & Hecla.....	563
Berkeley, E. C.—Blower & Tubing for Ventilation of Double Entry Driving.....	259
Bethlehem Steel Corp., Quarry Operates two Years without Accident.....	118
Bethlehem-Youngstown Merger Abandoned.....	645
Big Vein Coal Company, New Washing Plant of, Chas. Gottschalk.....	84
Bits, Detachable.....	586
Bits, Treating Machine, H. H. Taylor, Jr.,.....	73
Bits, Treating Machine, R. L. Adams.....	677
Blasting, Cutting, Drilling and, G. C. McFadden.....	72
Blocks, Automatic, for Inclines and Double Track Slopes, S. H. Ash.....	637
Bloom, Edward J.**.....	403
Boalt, Ben L.—The Automatic Regulator as the Coal Man's Ally.....	311
Bonnyman, Alexander**.....	646
Borgeson, A. C.—Accident Prevention Work on the Mesabi Range.....	201
Bosson, F. N.—Electric Power Distribution, Calumet & Hecla.....	547
Bourland, P. D.—Medical Dept., Calumet & Hecla.....	555
Bradley, Frederick W. (Biography).....	597
Brains as a Natural Resource, D. V. Hadcock.....	330
Brazil, Coal Mining.....	342
Brehm, Clyde G.**.....	449
Brennan, William D.**.....	687
Trends Toward Better Mine Management.....	435
Briquet Fuel Industry Output, 1930.....	280
Briquettes from Carbonized Lignite, N. G. Alford & Edward Prostel.....	194

Broderick, T. M.—Geology & Exploration in Michigan Copper District .....	478	Purchasing Department Procedure, E. C. Messner .....	552	Coal and the Spotlight* .....	415
Broderick & Bascom Rope Co. ....	458	Safety and Accident Prevention Policies, O. F. Bailey .....	559	Commercial Stocks .....	322, 453, 689
Tramway Builders Consolidate .....	13	Shrinkage Stopping in Amygdaloid Lodes, A. H. Wohlrab .....	491	European Producers Confer on Cartel .....	648
